

To help close people

Beloved Guan Yin

27 August 2011

Updated by Guan Yin on 24 February 2022

I AM Guan Yin.

Dear people with Living, Bright and Pure Souls, the Message I gave on 27 August 2011 is now obsolete and can even be harmful if you follow the recommendations given then. The times they were relevant to have ended!

The situation on your planet has drastically changed. The times have expired*, but a conclusion has been made that the humanity is not ready yet to go through the time that had just started, and it is precisely because of that that it was interrupted and changed with an absolutely new Intermediate time between the Times and the Time.

This Intermediate time will give you the possibility to prepare to succeed in surviving while going through the Time and the Halftime, and most importantly – to pass through the Portal of the Great Transition into the World of the 6th human race being in your current embodiment and with preserved Living, Bright and Pure Souls!

This is the most important thing that has to happen! This is the most important Mission of your current incarnation! And you should prepare to complete it by changing the way you work in Spirituality.

We announced this to you in previous updated Messages, but it is so important that I decided to repeat it and emphasize this topic.

Your most important work in Spirituality is the one that each one of you does **alone** on the material plane, in your here and now!

Group work in Spirituality is done only between every one of you who are in incarnation, individually, with all of us – the Ascended Beings of Light from the Higher octaves of Light!

So, today, on the 24 February 2022, I have come again thanks to the provided Divine Mercy.

In this updated Message, I would like to give you some guidance on how you should work in a team with us by invoking us to help so that you can get help to manage to preserve your positivity, balance and harmony in all situations of life. Because the transformation into Light and the salvation from the negative states of consciousness and from the negative karma help you – the human beings with Living, Bright and Pure Souls, but they also help the whole Living Life on this planet to be saved.

And that is much easier to achieve when, while walking along the Path to the Father, you get support from us – the Ascended Beings of Light, more often. In the Intermediate time that has already come, every one of you needs to learn to communicate properly with all the Ascended Beings of Light that are close to him in Spirit.

That means when one of you is in Joy, he/she should share it with all the Beings of Light that are close to him/her in the Spirit and have already Ascended, tell them what a wonderful thing happened to him/her and then, we should thank the Father together, as one whole. And this person should remain absolutely quiet about this Joy in front of his/her close people that are incarnated.

Because almost all of you, with very few exceptions, at this moment are without the Clear Vision about whether these close people are still with Living and Pure Souls, and who is the one acting behind them and through them, and in which network the energy of your Joy may go. And after you have shared your Joy with them, you may feel tired and devastated!

The same refers to the situations when one of you is filled with Divine Love. Then the best thing for him is to remain alone and find a way to connect on the fine plane with the rest of his close Ascended Bright Souls and tell them about his enormous Divine Love for them at that moment. And again he on the material plane together with all of them on the subtle plane in the Higher octaves of Light, as one whole, should thank the Father and send Him this common and Divinely multiplied Divine Love.

When one loses his harmony and positivity, he should immediately remain alone and invite, sincerely wish and ask all his close in Spirit Ascended Beings of Light from the Higher octaves of Light for help and support from Above

and tell them what has upset his balance, and again he on the material plane together with all of them on the Subtle plane of the Higher octaves of Light, as one whole, should turn to the Lord with a common prayer and invite, sincerely wish and ask the Lord for help and support from Above.

This is the highest form of help that each one of you can receive individually while in incarnation in the material world where you are living now, in the Intermediate time that is running now, and in the Time and Halftime that remain until the moment of your passing through the Portal of the Great Transition into the World of the 6th human race on this planet.

Whatever the problem is, the best for everyone who is in incarnation and has preserved their Souls Living, Bright and Pure is to remain alone and to turn to all his close in Spirit Ascended Beings of Light from the Higher octaves of Light, and also to the Higher Beings of Light that he feels close, and ask all of them as one whole to turn to the Father One with him with a common prayer for help and support from Above.

This prayer could be said out loud by the person on the material plane who has a problem and needs help to solve it. And this is the strongest prayer that leads to receiving the greatest support and help by the person in need.

When someone has asked for help so many Ascended Beings of Light, and they have agreed to ask the Lord for help for this person and have put part of their energy into this, the person needs to thank all of them and the Father One as well every day until the problem is solved, and even after that. And send them his Divine Love, and bow to them, and devote something to them, for example a song. And while singing, he should send his Divine Love to all of them. Or devote something else to them, whatever his heart suggests, be it work in Spirituality or in materiality. What is important is that the person devotes to the Ascended Beings of Light and the Father something that brings him Joy, he does it willingly, and his Soul feels at ease during that time. And even after he finishes this work, he should still feel well and full of Light!

Beloved, I feel such great Joy while giving you this guidance! I foresee the good results. And even now, I can see your happy faces and joyfully beating hearts when you witness the results that will be obtained. This will be real teamwork! One of you who are on the material plane, together with so many of us on the subtle plane, in a common prayer for help to the Father!

In this way, you can become free from your karmic burden much more easily, and after that from your harmful programmes, encodings and blockages, harmful habits and persistent negative states of consciousness and their harmful fruit and consequences.

Finally, I would like to give you an invocation for support and help that you could say out loud to the Father One, together with the Ascended Beings of Light from the Higher octaves of Light:

Lord, I ... (the first name), together with all my close in Spirit Ascended Beings of Light from the Higher octaves of Light, and also with all the Higher Beings of Light that can and wish to join this common prayer,
invite, sincerely wish and ask for help from Above
for the transformation into Light of my negative karma and/or harmful programmes, encodings and blockages, harmful habits and persistent negative states of consciousness and their harmful fruit and consequences. And may the following situation be solved in the best way from the Lord's point of view: (the situation is described briefly),
so that I am in a positive tune and
in the Divine Light, Wisdom, Power and Love, Joy, Peace and Harmony
and in more complete Service to God and the Father
in accomplishing the Mission of my incarnation.
And may all be according to Your Holy Will, Lord!
AMEN TAKKA DA BUDDEH OM
We thank You, Lord, for the help!
Thank You! Thank You! Thank You!
We Love You with all our hearts and Souls, with all our Divine Love, Dear Father One!
I and all the Ascended Beings of Light together direct our Divine Love to You, dear Father One!
(Bow!)
I bow to all of You, Ascended Beings of Light from the Higher octaves of Light who have joined my prayer for help to the Father One and supported it!
Thank You! Thank You! Thank You!
I Love You with all my heart and Soul, with all my Divine Love, and I am sending it to You here and now!

In this way, when the Ascended Beings of Light consider how to do good to you, the embodied human being with a Living, Bright and Pure Soul, by joining you in your Prayer to the Father and your work in Spirituality, by considering how to help you and do you Good, this results into a greater Good both for you and for all of them. They also receive good karma that can be used to turn some of their imperfections into Light so that they move to a

higher level of the Divine Hierarchy of Light. Thus, when you ask them to help and include them in your service, you help all of them as well!

This is work in Spirituality from a higher order during which massive cleansing happens both of karma and of harmful programmes, encodings and blockages, harmful habits and persistent negative states of consciousness and their harmful fruit and consequences of all the Beings of Light participating in this work in Spirituality.

And what do you think will happen to your own problems? I will tell you – they will be transformed into Light in the easiest way, almost without you realising how this has happened. Thus, you will always be positive, naturally and by itself, without the need to try to be such!

I AM Guan Yin in Joy and with Love to all human beings with Living, Bright and Pure Souls.
