

# Gift and Blessing by the Father of This Universe

01 January 2026

My dear children!

May your new year 2026 be a happy one!

Turn to Me – the Father of This Universe, with all your Faith in Me

and thank Me, and send Me your Divine Love,

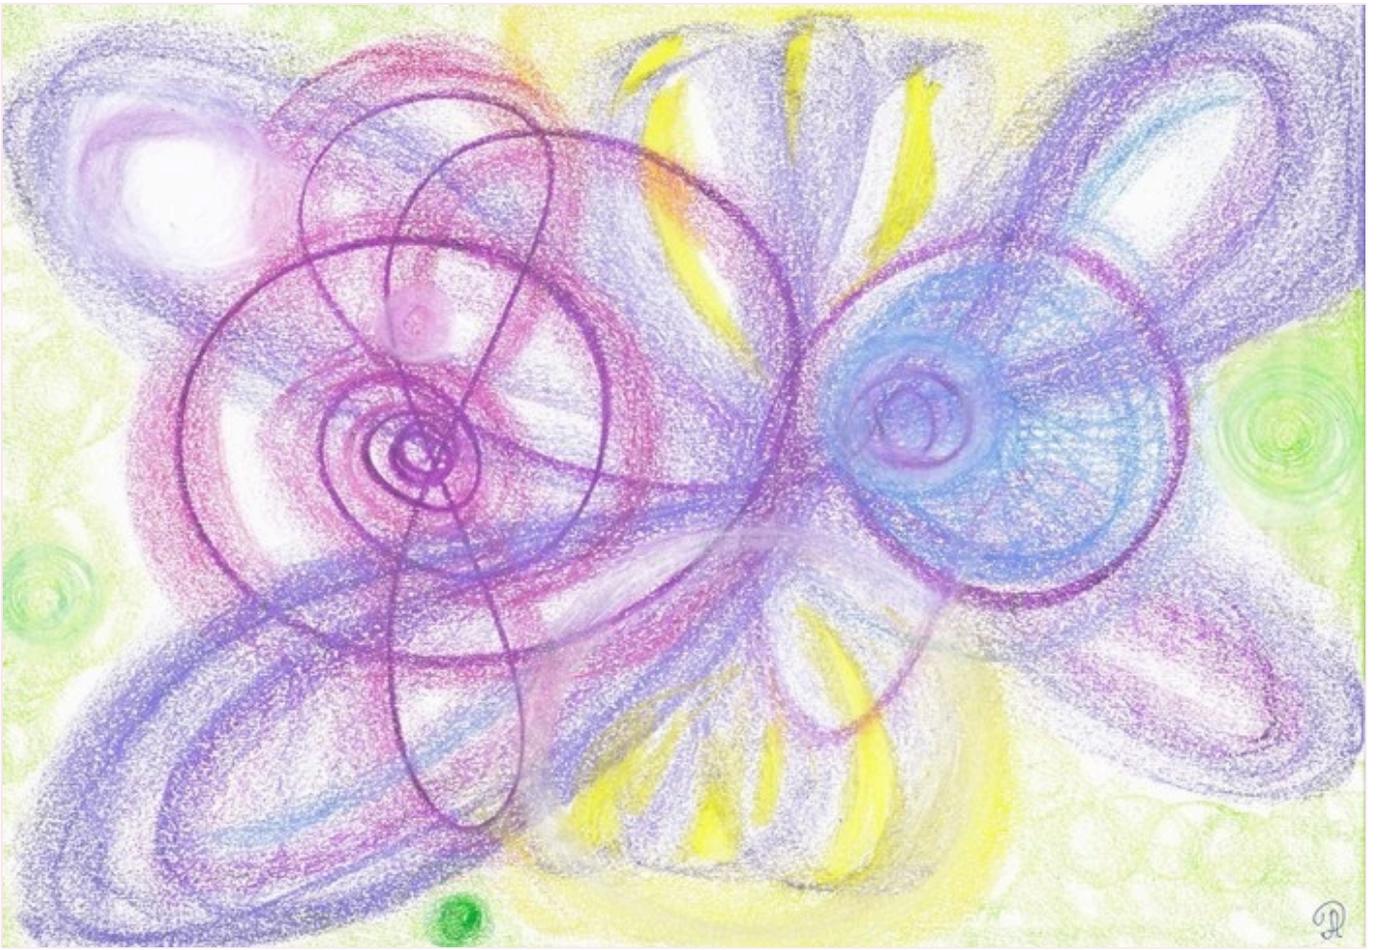

and leave yourselves in My hands – to lead you along the Path

and guide you through the more difficult parts of the Path,

and carry you through the most difficult places.

I give you as a gift this Message-Picture that you can look at and thank Me, and send your Divine Love to Me while looking at it, but only when it is hard for you to move along the Path. And corresponding to your Faith, you will receive My Help and Support.

The Father of This Universe, with enormous Love for all of you!
