

Blessings for the situation in the world

A question sent to the UNIFICATION website on 5 March 2022, and its answer given by Presence of the One on 9 March 2022

Question: Dear Father One, what is the best to do from the Lord's point of view concerning the military conflict between Russia and Ukraine? Is the Blessing given by Lordess Pallas Athena in her Message from 10 May 2012 appropriate for this purpose? Can we do anything else in this relation? Thank You, dear Father One! I am sending my Divine Love to You!

Answer: The Blessing given to you by Lordess Pallas Athena in her Message from 10 May 2012 is completely sufficient with its updated text, and it can be used in relation to any situation, anywhere in the world, where there is a military or any other conflict between any countries, peoples, societies, organisations, religions, separate groups of people, etc.

My Recommendations are:

1. The more often you say this Blessing, the better, every day.
2. And when you feel that an eventual danger of any kind is impending, wherever in the world, created by the activities of certain people, you could say the Blessing given by Lordess Pallas Athena on 27 November 2010 with its updated text, but without mentioning specific names in the Blessing**.
3. When you say these Blessings (and do any other Spiritual practices), do it always when you are alone or completely covered. And demand, sincerely wish and ask the Beings of Light from the Higher octaves of Light to join you and take part in this together with you, as you were told by Beloved Guan Yin in her Message from 27 August 2011 updated on 24 February 2022, so that this Spiritual practice becomes a group practice and its effect becomes with much greater Divine multiplication***.

4. Wherever and whatever happens in the world, when you Bless with these two Blessings, precisely follow the recommendations given by Lordess Pallas Athena in her Message from 27 November 2010, and remain calm and in a positive tune or equable and Bless with Kindness, Meekness and Humility, preserving the balance of your Soul.
